Welcome to the
Water Rich Dayton Region

AN ABUNDANT SUPPLY

There's great news about water in Dayton. Located in southwest Ohio, the Dayton Region is drought-free and welcomes water-intensive business and industry to share its abundant water resources.

With more than 6,000 miles of rivers and streams to recharge a vast, 1.5 trillion gallon buried valley aquifer, you can always count on the water to be there when you need it.

Welcome to the
Dayton Region

Located in one of America's leading economic hubs, the Dayton Region, in Southwest Ohio, is home to innovative industry and a vibrant quality of life. If you're looking to grow your business, or moving a business to the Dayton Region, you can't find a better place to do it.
