What You Will Need

- A copy of your itemized invoice that contains all equipment and installation information (please keep the original for your records)
- Your Vectren account number
- Installing contractor information (if available)

HOW TO APPLY FOR A REBATE

Step 1: Determine Eligibility

- **Applicant**
The applicant must be a Vectren Energy Delivery of Ohio, Inc. ("Vectren") General Service (Rate 320, 321, 325) natural gas account holder at the time of equipment installation. Location of installed equipment or services performed must have Vectren natural gas service.
- **Application & Installation**
The application must be postmarked within 90 days of equipment installation.
- **Equipment**
The equipment must be purchased and installed between January 1, 2017 and December 31, 2017.

Read all rebate qualifications carefully to ensure your product qualifies.

Step 2: Complete Application & Attach Invoices

- **Complete Application**
Unless noted otherwise, all fields must be completed on the application to receive a rebate.
- **Sign Application**
The application must be signed in the space provided on page 2 to receive a rebate.
- **Attach Invoices**
Ensure that you have attached a copy of all equipment invoices to the rebate application.

The invoice should include:

- » The equipment make, model and serial number
- » The date of installation
- » Total number of units installed
- » Total project cost of the equipment

The rebate amount may not exceed the cost of the equipment.

Step 3: Submit Paperwork

- **Double-check Information**
Make sure the information listed on the application is correct and that you have provided all required information. Also, ensure a copy of all invoices has been included.
- **Submit Application**
Submit your completed application and a copy of your itemized invoice(s) within 90 calendar days of equipment installation one of three ways:

ELIGIBILITY

Refer to the information below to ensure you are eligible for Vectren's Ohio Business Rebate Programs. For assistance determining your eligibility, call **1-866-240-8476** to speak with a program representative.

Incentive Offer

This offer provides rebates for the purchase of new, installed qualifying products and is not dependent on the purchase of any other product or service unless indicated. The rebates on this form are available to Vectren Energy Delivery of Ohio natural gas commercial customers only. Qualifying commercial accounts include rate 320, 321 and 325. One form must be completed for each address in which the product is installed. The Vectren rebate cannot exceed the cost of the equipment or service. Equipment must be purchased, installed and operational between January 1, 2017 and December 31, 2017. Vectren reserves the right to alter or discontinue the rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

General Eligibility

For a current list of qualifying equipment, visit www.vectren.com/saveenergy. Applicants must use natural gas for all space heating needs. Dual fuel systems are not eligible. Chimney liners must be installed where an atmospherically-drafted appliance remains in the existing chimney after a sealed combustion unit has been installed. A sealed combustion unit must provide combustion air from outside the facility. Installers must also complete the flue closure protocol when a sealed combustion unit has been installed. If a power vented natural gas water heater is installed, the installer must complete the flue closure protocol as well.

Compliance

All projects must comply with applicable federal, state and local laws and regulations, including building codes, and manufacturer's specifications. All equipment must be purchased new and cannot be resale equipment, new parts installed in existing equipment or equipment that is leased, rebuilt, rented, replaced by a warranty or won as a prize. Existing equipment must be removed or permanently disconnected.

Application Delivery

A complete, signed application and itemized invoices for materials and labor must be submitted at the address located on the cover page of this application within 90 days of project completion. The invoice(s) must indicate the date of purchase, size, type, make, model and total project cost. Receipt of an application does not guarantee payment of a rebate. Vectren is not responsible for items lost or damaged in the mail. Vectren will pay only one rebate for each eligible product installed. Please allow up to six (6) weeks to receive your rebate. Incomplete applications will not be processed. Failure to provide supporting documentation will be considered an incomplete application. Please keep a copy of your application and supporting documentation for your records.

Verification

Vectren reserves the right to verify sales receipts and/or installations of products before issuing rebates. A random inspection may be conducted to verify installations. Making false statements on any Vectren rebate application is punishable by law. Any and all funds determined, in Vectren's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be returned to Vectren. Vectren reserves the right to refuse payment and participation if the signatory(ies), applicant(s), customer(s) or contractor(s) violate program rules or procedures.

Tax Information

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. If you purchase an energyefficient product for your home, you may be eligible for a federal tax credit. Visit www.energystar.gov/taxcredits for more information. Vectren is not responsible for any tax liability imposed on the customer as a result of the payment of incentives.

Customer Information

Vectren reserves the right to disclose your account number, federal tax ID or social security number and consumption data to its subcontractors for the sole purpose of administering Vectren's Conservation Connection program. Subcontractors are contractually obligated to protect the confidentiality of this information.

Publicity

Vectren reserves the right to publicize your participation in this program, unless you specifically request otherwise.

Logo Use

Customers or contractors may not use the Vectren program name or logo in any marketing, advertising, or promotional material without written permission.

Disclaimer

Vectren does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and cost savings. Vectren reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by Vectren, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program.
